Conversion Options

The Vivaro Life is a complete overhaul of the Luton built workhorse we all know, and it has been widely accepted into the Taxi Industry.

We are, at this moment, having specialist bulkheads, floors and ramp systems designed and built within our European Manufacturing facilities pending testing and approval.

What Can Vivaro Be Converted To?

We are rocketing forwards to produce a diverse parts package which will allow us to convert the Vivaro in any way you choose. Side loading Wheelchair accessibility with a taxi style set up is priority as well as fully tracked floors, individual removable seats, partition screens and more. We are in the final stages of development of specifically designed conversion parts for the Vivaro and we will be back with published info as soon as possible! Exec Conversions coming soon too!
